

Frank, on behalf of the people of the parish, please know how grateful I am with the work that you and Scot did for us. Our home looks beautiful! Lots better than most Catholic priests have, for sure.

Please remind Scot that this parish will have a big job soon (painting the “pre-school” building), and that you two (individually or as a team) should contact Bill Marten (our business manager) to bid on the job.

Also, please know that we will offer you and Scot some PR, by placing your business cards in our bulletin for between 3 and 6 months.

Again my friend, I am grateful.
