To: Scot Donaghy, WSD Handyman Services
From: Doug Stacks, Director – Planning & Economic Development

Thank you for taking care of the siding issue recently at 98 First Avenue. Your quick repair certainly saved it from becoming damaged beyond further use. This, in addition to the other work you have done to our office renovation, was done with attention to timeliness and detail.

Feel free to have your prospective customers contact me should they need references. I would be happy to talk to them. I wish you a Merry Christmas and a prosperous New Year.

Best regards,

A handwritten signature in cursive script, appearing to read "Doug", is written over a faint, larger version of the same signature.
