Scott Donaghy  
WSD Handyman Services Inc

Dear Scott,

It is with pleasure that I write this letter to you to say thank you for all the hard work you have done for us in our varied projects. You always finish the work where many have left things undone, your quality of work is superb showing the craftsmanship that you bring to your work and company. You are willing to do the small things like hang lights, put hinges back on doors but are able to do the larger projects such as tiling floors and back splashes, rebuilding decks, enclosing porches, and making sunrooms with the same custom and quality of work

I would not and do not hesitate to recommend you to anyone needing handyman or special projects done as I know I can count on your work to be that of a craftman that you are.

Sincerely,

Janice Maynard
