Dear Scot:

Well, you did it again. Another happy referral!!

My business partner can not be happier with the deck you built for her. She loves it, love what you did, loves that her deck boards are thicker than her neighbors, loves the railings, loves everything about it. You created neighbor envy. The neighbor came over and said the new deck put her old weathered deck to shame. She has already asked me for more of your business cards, twice!

Thank you again for your outstanding service and, once again, making me look good!

Sincerely,

Crawford, Merritt & Company
